

**The Canadian Bar Association & UBC Faculty of Law  
Student Mentorship Program**

The British Columbia Branch of the Canadian Bar Association and the UBC Faculty of Law Career Services Office invites you to become a mentor to the next generation of young lawyers through the Student Mentorship Program.

The aim of this program is to match law students with members of the legal profession who are willing to share their experiences about the practice of law and the process of becoming a lawyer. Mentors help students build important networks within the legal community and serve as valuable career advisors for students at a crucial point in their legal careers. Whether you are a recent call or veteran of the profession, we encourage you to share your experience with the lawyers of tomorrow.

In the fall, each mentor will be matched with a law student who has an interest in their area of practice. Once matched, students will contact their mentors and arrange to meet over coffee, or at the Mentorship Reception. The **Mentorship Reception** will be held on **Thursday, October 20 from 6:00pm to 8:00pm at the Law Courts Inn**. All mentors and their mentees are invited and encouraged to attend.

If you are interested in being a mentor, please complete the following information and return to the attention of **Jennifer Hicks** by **Friday, August 19, 2011**.

**Some students have indicated an interest in being paired with mentors who identify themselves as part of a group underrepresented in the legal profession. If you would like to be paired with one of these students and feel comfortable identifying yourself (for example, in terms of sexual diversity/orientation, race, ethnicity, disability, gender, etc.), please do so below:**
