In-House Counsel, Commercial Real Estate Vancouver (5+ Years)

Our client is one of Canada's largest and most respected real estate companies. The company owns and manages more than 40 properties across Canada including retail, commercial, office, residential, self-storage and hospitality space. Over its almost 40 year history, the company has earned its reputation for quality through developments with prime locations, striking architecture, excellent landscaping, highly advanced systems technology and security, efficient energy use and expert property management.

Due to continued expansion, our client is now seeking to add a lawyer with at least five years of real estate experience to its legal team based in Vancouver. Working directly with the company's executive, the successful candidate will provide legal advice on a broad range of commercial real estate matters including the negotiation, drafting and review of key agreements and represent the company in dealings with its sophisticated, international client base.

As the ideal candidate, you are familiar with the retail and commercial leasing brokerage community and have prior experience in the preparation of lease amendments, consents to transfer, surrenders, assignment sublets and non-disturbance agreements. In addition, exposure to US retailer leasing documents is desirable. You are a team player with excellent interpersonal, time management and technical skills.

This role offers an attractive compensation package and the opportunity to use technical skills within a highly entrepreneurial, fast-paced work environment. For the right candidate, this position offers exceptional future career prospects in a growing, dynamic and internationally respected development company.
